

## THE GRAND DUKE WEDDING

Our grandest event is tailored to meet your every whim while commemorating the wedding of Mary Duke to Anthony Drexel Biddle Jr. in June of 1915. This historic event spared no expense as 600 guests attend the lavish affair held at Duke Farms in Hillsboro, New Jersey. Guests were transported to the event on custom built train cars running from NY and Philadelphia as they danced and celebrated late into the night! We've decided to forgo the train cars but certainly haven't spared any expenses as well.
